EMPLOYER’S CONCURRENCE OF CANDIDACY

______________________________________ has discussed the desire to declare candidacy for election for an officer of the Nebraska Chapters of APCO and NENA. As the candidate’s employer, I am keenly aware of the value in APCO and NENA’s mission and the honor of service.

During our discussion, we reviewed the candidate’s need for strong support from the employer to effectively serve as an elected Officer of the Nebraska APCO/NENA Executive Committee. This support includes, but may not be limited to, the following:

1. The commitment of a significant amount of time to the performance of one’s duties as an officer of the executive committee. This may include travel away from the workplace. It also may include time during the normal workday while at the workplace. The commitment of time will extend over the entire period that an individual serves as an Officer on the executive committee.
2. The need for the candidate to have access to telephone, fax, and mail services at the workplace during normal work hours.
3. The need for the candidate to have access to an email account during normal work hours that allows for incoming messages with attachments to be delivered to the candidate individually. Since numerous messages may be received each day and some attachments may be large, it will be necessary for the candidate to have access to sufficient electronic storage space to handle the volume.
4. The candidate may need access to fixed computer equipment and a printer at the workplace.
5. Special arrangements may be needed to allow the candidate to complete his/her normal work.

I hereby agree to provide the support identified above. I concur with my employee becoming a candidate for an officer of the organization and, if elected, serving a full term as an Officer on the executive committee of the Nebraska Chapter of APCO/NENA.
